

Our Mission

Christ Church Vero Beach is a faith community where God's grace and truth meet, empowering Christians to:

- Joyfully worship the living Lord
- Faithfully grow disciples who make new disciples
- Sacrificially and intentionally reach out to the local community and beyond, with mercy and compassion, to impact the lives of those Jesus died to save.

The Vision

To be a growing community of faith, passionately and prayerfully modeling the life and earthly ministry of Christ Jesus.

We will demonstrate the relevance of Christianity through traditional, contemporary, and creative expressions of our faith that glorify God and nurture personal spiritual growth.

We will create a grace-filled and nonjudgmental environment that encourages our youth to mature in their faith and live out their love for Jesus.

We will identify, train, and support believers as servants and leaders, to carry the ministry of Christ Church into Vero Beach and the world through discipleship, evangelism, outreach and mission projects.

We will use and make available to the community the facilities God has graciously provided for mission and ministry such that Christ Church becomes the best church it can be *for* Vero Beach and its environs.
