OUR LIVING HOPE: A Study of 1 Peter
by Fr. Keith Allen

LESSON 1 — 1 Peter 1:1-2

1. In what way or ways do you connect with Peter the author? In what ways does Peter challenge you as you consider his life and faith?

2. The audience is called the "elect exiles". How do you understand God's work of election in your life? Do you feel like an exile in this world? How? Why?

3. The aim of the introduction is that grace and peace would be multiplied in the lives of the recipients. In what ways do you long to have grace and peace multiplied in your life? How can you be an agent of grace and peace in the lives of others? Will you do one thing this week to be an agent of grace and peace?
